HERE YOU WILL FIND THE BEST BABES IN TOWN!

In Rio de Janeiro there are whorehouses and motels, street hookers and nightclubs, but nothing can be compared to the sex club “Solarium”, where the best babes in town rule in an exquisite environment. The most important thing though, is the girl’s unmet abilities as sex athletes...

Solarium is one of Rio's best brothels
In "Solarium" you'll do better than ever. You will turn in to a sexual wild beast, which can and want everything. When you think your Willie has said stop, the girls bring new life to the trousersnake. Here you will get the best sex in town. Here you will find the most wonderful sex kittens this town has to offer.

When you look at the anonymous outside, it is hard to imagine what Bountyland hides behind the boring door and the brown walls. But don't let it deceive you. "Solarium" is one of the best brothels in South America. Here are countless hot girls in all shades right from pale white to tear-black.
In the entrance, you pay $50 and are given a key to your private locker. Then you lock up your personal effects, take a bath and tie a towel round your waist.
This is the start signal for the good life to begin. With an open mind, you are ready to surrender to complete and total enjoyment.
First you meet 21-year-old Rosanna. She a mulatto and like the rest of the girls in "Solarium", she's got the loveliest behind. One moment hard as steel, perky and swaying, only to be vibrating and wildly seducing the next. Want to fuck? She whispers, while her hand gently grabs your private parts. You gasp

with excitement, mostly because you are taken by surprise by her direct way of attacking your manhood.

It is like this all over Brazil. The only difference is, that here in "Solarium" the girls are that bit more beautiful, and they know the noble art of fucking any man completely out of his mind.

The most fantastic about "Solarium" is the facilities. This place is like taken from your dreams. You can let your enthusiasm run free in the jacuzzi, while the bubbles compete with the girls' skilled hands on your tormented body.

You can relax in the sauna, or you can enjoy a couple of drinks in the cozy bar, while gathering strength for the next big shootout. All girls smile invitingly. They fight over your favor, and you realize you have come to orgasm-heaven.
Now you feel on your own body that the Brazilian girls really live up to their reputation. They love sex, and they make no effort what so ever to hide it.

While you sit here in your own little universe, at the mercy of your dirty mind, you feel a gentle hand on your shoulder.
It's the wonderful Launa. She is only 19, but make no mistakes. She is guaranteed to be one of the most exciting you, you ever have the chance to plug your joystick into in this lifetime. Her lips find your ear, while she in turn nibble and spoil you with her vivid tongue.

You sigh, and suddenly you realize you are about to set an amazing record. You've got your third hard-on within 3 hours.

Life in "Solarium" is almost too good to be true. The girls get the best out in us men. They wake the beast and make us feel like we really are something. And they can do things to us, we deny under other conditions. "Solarium" is a club, where you can have all your wishes fulfilled. The girls are into group sex, anal and all other aspects of enjoyment.

They only have one

demand.
That all sex is soft and nice. It's not a club for sadists and masochists.

At weekends, there are often group-sex parties in "Solarium". But there is no schedule for those kinds of arrangements, so you have to call ahead.

Then you will know right away, if the club has a surprise or two coming...
